Year End Giving

December is a great time to support the ministries of Bedford First United Methodist Church with a special gift for our general fund. Like many non-profit organizations our church has experienced a decrease in general fund giving due to the difficult economy. This time of year also brings increased costs for heating and special events. All donations received or postmarked by December 31st are deductible on your 2010 taxes.

Giving a gift of stock can provide significant benefits to the donor. If you would like to support the church in this way, see Jerry Jackson for more information.

The United Methodist Foundation of Indiana is also able to help donor set up charitable gift annuities, trusts, and other ways to make a lasting impact for the Kingdom. For more information contact Manet Shettle at mschettle@niums.org and 866-669-2327.
